Dear Customers

## Information on Price Revisions

Crystal Clear Waters Headquarters

We would like to thank you for drinking our pure water.

We have been making efforts to reduce costs by streamlining logistics and cutting expenses so that you can enjoy drinking our pure water safely, securely, and inexpensively.

However, it has been difficult to maintain the existing prices due to the continuous price hikes of related materials and logistics-related costs, such as prolonged price hikes of petroleum products and electric power. Therefore, we would like to inform you that product prices will be revised as follows, effective from deliveries on April 1, 2024 (Monday).

We will continue to strive to further improve our services in the spirit of putting our customers first, and we would appreciate your understanding in this matter.

The following is a summary of the price revision.

1. Effective date of price revision: April 1, 2024 (Monday)
